

**REPORT/RECOMMENDATION TO THE BOARD OF SUPERVISORS
OF SAN BERNARDINO COUNTY, CALIFORNIA
AND RECORD OF ACTION**

AUGUST 31, 1999

**FROM: RICHARD A. BAKER, Director
Architecture & Engineering Department**

SUBJECT: BARSTOW/DAGGETT POOL REHABILITATION – ADVERTISE FOR BIDS

RECOMMENDATION: Approve plans and specifications, and authorize Architecture & Engineering to advertise for competitive bids for the Barstow/Daggett Pool Rehabilitation at the Barstow/Daggett Airport.

BACKGROUND INFORMATION: The Department of Economic and Community Development has asked Architecture & Engineering to rehabilitate the pool facility at the Barstow/Daggett Airport on behalf of the Airports Department which operates the pool. The existing pool facility, which is open to the general public, is over 50 years old, and has yet to undergo a major rehabilitation. Not only is the pool itself in need of repair, but the filtration equipment is also showing signs of age. The bidders will be asked to design and construct a new filtration system and re-plaster the 30 foot by 90 foot pool. Also included are new exit ladders, lifeguard towers and a swim lift to meet ADA standards.

Plans and specifications are on file in the Architecture and Engineering Department.

REVIEW BY OTHERS: This Board Item has been coordinated with John Giblin, County Administrative Office; Robert Olislagers, Airports Department; Eli Montoya, Department Contract Compliance Designee; and approved as to form by Charles Scolastico, Deputy County Counsel.

FINANCIAL IMPACT: This project is funded in the 1999/2000 Capital Improvement Program and is 100% reimbursed by a Federal Community Development Block Grant (ECD #206-24102).

SUPERVISORIAL DISTRICT(S): First

PRESENTER: Richard A. Baker, Director
